

Baker Instructions

Thank you for agreeing to bake for Chapel Hill Carrboro Meals on Wheels. We include a home-baked dessert with every meal we deliver. That is 160-180 home-baked goods delivered every weekday! This is all made possible by amazing volunteers like you!

Each volunteer baker is asked to make **two or three dozen individually bagged** goodies...your choice of what you make! **You do not need to worry about nut allergies.**

Bakers are usually assigned to one day of the month. **If you are a high school student trying to earn service hours, you will not be assigned a day, but can drop off whenever you have baked—but you are limited to donating once per week. Please share with us any school forms that are required to track service hours or submit your hours on the LetServe app for us to approve. Chapel Hill-Carrboro schools will allow a maximum of 2 hours per baking donation and a reminder that we limit high school baking donations to once per week.**

On your assigned day, please deliver baked goods, individually packaged and labeled (see below) by 9:30 am. Desserts can also be delivered the day before. The CHCMOW office is open M-F, 9:00AM-1:00PM. **CHCMOW delivers every weekday excluding major holidays (New Year's Day, Memorial Day, 4th of July, Labor Day, Thanksgiving and the day after and Christmas). Closings due to poor weather conditions will be announced on WRAL and WTVD.**

Serving size per baggie is two cookies (unless they are jumbo size), one brownie, one slice of cake, one muffin, one scone etc. Be wary of icing as it tends to be very messy in baggies.

If you are interested, we always need sugar-free desserts. These desserts need to be clearly marked sugar-free when you drop them off. We will mark the individual bags with our red dots which signify sugar-free. We have several sugar-free dessert recipes and are happy to share them with you—just ask.

We are located at Binkley Baptist Church 1712 Willow drive, on the corner of Willow Dr and 15-501, next to the Harris Teeter at University Mall. If you park behind the church and walk up the red brick sidewalk on the left, you will find us immediately inside the double glass doors. If you deliver before anyone is in the office, please mark your bag/s and place the desserts on the counter or bench in the hallway and sign the baker log-in sheet in the bin on the office door.

THANK YOU FOR VOLUNTEERING!
